

# RCE Capital Bhd (RCE MK)

## Decent quarter

### Maintain HOLD with a lower TP of MYR1.67

Results were within our expectations. Our estimates are unchanged. Financing and loans growth have been tepid and cost of funds is rising, which leave less room for positive earnings surprises going forward. We cut our TP to MYR1.67 on 1.3x end-FY22E P/BV (+2SD to 5-year mean) from MYR1.93 (MYR3.67 pre-share DPS and bonus issue) on 1.5x end-FY22E P/BV (+3SD). HOLD for decent dividend yields of >4.0% p.a. and potential award of digital banking license next month.

### Earnings within our expectations

3QFY3/22 net profit of MYR34.7m (flat YoY, +10% QoQ) brought 9M net profit to MYR101.6m (+12% YoY), at 74% of our FY estimate. 9M revenue of MYR224.8m was also in-line at 75% of our FY estimate. No DPS was declared but this was expected as RCE traditionally declares DPS during 2QFY and 4QFY. Note that RCE's share price has gone ex- for (i) 1 treasury share for 20 shares held dividend; and (ii) 19-for-21 bonus issue.

### Operating metrics a mixed bag

3Q gross financing and loans receivables was still flattish QoQ (+0.5%) although the upliftment of the Full Movement Control Order restored the movement of marketing agents. RCE stated that it will encourage its marketing agents to be a tad more aggressive going forward. To be fair, NPF ratio eased 23bps QoQ to a new low of 3.8% as asset quality improved and net gearing also eased 3ppts QoQ to another low of 123%.

### Less room for +ve earnings surprises

Though we forecast gross financing and loans receivables growth of 3% p.a. (unchanged), our earnings estimates are unchanged. Earnings are more sensitive to net interest margins (NIM) instead. Cost of funds (COF) is also rising. RCE issued a Sukuk tranche with a 3.9% profit rate in Jul 2021 which was 54bps higher than the previous one. Yet, the increase in average COF will be measured as Sukuk tranches are gradually replaced by the higher profit rate ones. Also, RCE will introduce higher profit rate products to maintain NIMs.

Source: FactSet

## Value Proposition

- RCE Capital provides personal financing, the ultimate customers being civil servants.
- With a gross financing balance of just MYR1.8b, we estimate that its market share is only 2%.
- Non-performing financing kept in check thanks to non-discretionary direct salary deductions.
- Competitive advantage lies in fast financing processing turnaround time of 48 hours.
- ROE generation surpasses that of the average for the overall banking industry.

## ROE and ROA

Source: Company

## Price Drivers

### Historical share price trend

Source: Company, Maybank IBG Research

1. FY17 net profit surged 98% YoY as FY17 revenue grew 38% YoY.
2. Concerns arise that the government may reduce the size of the civil service.
3. Movement Control Order lengthened time to process new customers, resulting in less financing disbursed.
4. 2QFY3/21 net profit grew 21% YoY to a record high of MYR33.0m.
5. Announced share DPS of 1 treasury share: 20 shares held and bonus issue of 19 bonus shares: 21 shares held.

## Financial Metrics

- Introduced a better credit scoring model in 2013. Forecast gross financing growth of 3% p.a. over the next three years.
- Average financing yields may be peaking at 14-15% but average cost of funds is falling.
- Asset quality better than before. New financing are smaller in size (<MYR20k) and their NPF ratios are low (<2%).
- Forecast stable three-year forward core net profit CAGR of 6% p.a.
- There is room for dividends to surprise to the upside as its DPR policy is only 20-40%.

### Core net profit (MYRm)

Source: Company, Maybank IBG Research

## Swing Factors

### Upside

- Easing competition - competitors have been reducing their exposure to personal financing.
- Lower cost of funds - we estimate that every 25bps reduction in cost of funds will accrete 3% to earnings.
- Access to CCRIS - if RCE Capital gains access to CCRIS, it can better assess customers' total indebtedness.

### Downside

- High household debt - Household debt to GDP is elevated at >80% and may crimp customers' repayment ability.
- Need to leverage - RCE Capital cannot take deposits and thus, has to assume debt to finance its financing.
- Asset-liability duration mismatch - customers' repayment may not match RCE Capital's debt repayment.

## Results analysis

- 3QFY3/22 net profit was flat YoY.
- 3QFY3/22 net profit was up 10% QoQ largely due to higher early settlement income. Early settlement of financing recommenced in mid-Sep 2021.
- In 2QFY3/22, there was less early settlement income as early settlement of financing was discouraged during the Full Movement Control Order.
- 9MFY3/22 net profit was up 12% YoY largely due to higher early settlement income and lower credit cost (-62% YoY).

## APPENDIX I: TERMS FOR PROVISION OF REPORT, DISCLAIMERS AND DISCLOSURES

### DISCLAIMERS

This research report is prepared for general circulation and for information purposes only and under no circumstances should it be considered or intended as an offer to sell or a solicitation of an offer to buy the securities referred to herein. Investors should note that values of such securities, if any, may fluctuate and that each security's price or value may rise or fall. Opinions or recommendations contained herein are in form of technical ratings and fundamental ratings. Technical ratings may differ from fundamental ratings as technical valuations apply different methodologies and are purely based on price and volume-related information extracted from the relevant jurisdiction's stock exchange in the equity analysis. Accordingly, investors' returns may be less than the original sum invested. Past performance is not necessarily a guide to future performance. This report is not intended to provide personal investment advice and does not take into account the specific investment objectives, the financial situation and the particular needs of persons who may receive or read this report. Investors should therefore seek financial, legal and other advice regarding the appropriateness of investing in any securities or the investment strategies discussed or recommended in this report.

The information contained herein has been obtained from sources believed to be reliable but such sources have not been independently verified by Maybank Investment Bank Berhad, its subsidiary and affiliates (collectively, "Maybank IBG") and consequently no representation is made as to the accuracy or completeness of this report by Maybank IBG and it should not be relied upon as such. Accordingly, Maybank IBG and its officers, directors, associates, connected parties and/or employees (collectively, "Representatives") shall not be liable for any direct, indirect or consequential losses or damages that may arise from the use or reliance of this report. Any information, opinions or recommendations contained herein are subject to change at any time, without prior notice.

This report may contain forward looking statements which are often but not always identified by the use of words such as "anticipate", "believe", "estimate", "intend", "plan", "expect", "forecast", "predict" and "project" and statements that an event or result "may", "will", "can", "should", "could" or "might" occur or be achieved and other similar expressions. Such forward looking statements are based on assumptions made and information currently available to us and are subject to certain risks and uncertainties that could cause the actual results to differ materially from those expressed in any forward looking statements. Readers are cautioned not to place undue relevance on these forward-looking statements. Maybank IBG expressly disclaims any obligation to update or revise any such forward looking statements to reflect new information, events or circumstances after the date of this publication or to reflect the occurrence of unanticipated events.

Maybank IBG and its officers, directors and employees, including persons involved in the preparation or issuance of this report, may, to the extent permitted by law, from time to time participate or invest in financing transactions with the issuer(s) of the securities mentioned in this report, perform services for or solicit business from such issuers, and/or have a position or holding, or other material interest, or effect transactions, in such securities or options thereon, or other investments related thereto. In addition, it may make markets in the securities mentioned in the material presented in this report. One or more directors, officers and/or employees of Maybank IBG may be a director of the issuers of the securities mentioned in this report to the extent permitted by law.

This report is prepared for the use of Maybank IBG's clients and may not be reproduced, altered in any way, transmitted to, copied or distributed to any other party in whole or in part in any form or manner without the prior express written consent of Maybank IBG and Maybank IBG and its Representatives accepts no liability whatsoever for the actions of third parties in this respect.

This report is not directed to or intended for distribution to or use by any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation. This report is for distribution only under such circumstances as may be permitted by applicable law. The securities described herein may not be eligible for sale in all jurisdictions or to certain categories of investors. Without prejudice to the foregoing, the reader is to note that additional disclaimers, warnings or qualifications may apply based on geographical location of the person or entity receiving this report.

### Malaysia

Opinions or recommendations contained herein are in the form of technical ratings and fundamental ratings. Technical ratings may differ from fundamental ratings as technical valuations apply different methodologies and are purely based on price and volume-related information extracted from Bursa Malaysia Securities Berhad in the equity analysis.

### Singapore

This report has been produced as of the date hereof and the information herein may be subject to change. Maybank Research Pte. Ltd. ("MRPL") in Singapore has no obligation to update such information for any recipient. For distribution in Singapore, recipients of this report are to contact MRPL in Singapore in respect of any matters arising from, or in connection with, this report. If the recipient of this report is not an accredited investor, expert investor or institutional investor (as defined under Section 4A of the Singapore Securities and Futures Act), MRPL shall be legally liable for the contents of this report, with such liability being limited to the extent (if any) as permitted by law.

### Thailand

Except as specifically permitted, no part of this presentation may be reproduced or distributed in any manner without the prior written permission of Maybank Securities (Thailand) Public Company Limited. Maybank Securities (Thailand) Public Company Limited ("MST") accepts no liability whatsoever for the actions of third parties in this respect.

Due to different characteristics, objectives and strategies of institutional and retail investors, the research products of MST Institutional and Retail Research departments may differ in either recommendation or target price, or both. MST reserves the rights to disseminate MST Retail Research reports to institutional investors who have requested to receive it. If you are an authorised recipient, you hereby tacitly acknowledge that the research reports from MST Retail Research are first produced in Thai and there is a time lag in the release of the translated English version.

The disclosure of the survey result of the Thai Institute of Directors Association ("IOD") regarding corporate governance is made pursuant to the policy of the Office of the Securities and Exchange Commission. The survey of the IOD is based on the information of a company listed on the Stock Exchange of Thailand and the market for Alternative Investment disclosed to the public and able to be accessed by a general public investor. The result, therefore, is from the perspective of a third party. It is not an evaluation of operation and is not based on inside information. The survey result is as of the date appearing in the Corporate Governance Report of Thai Listed Companies. As a result, the survey may be changed after that date. MST does not confirm nor certify the accuracy of such survey result.

The disclosure of the Anti-Corruption Progress Indicators of a listed company on the Stock Exchange of Thailand, which is assessed by Thaipat Institute, is made in order to comply with the policy and sustainable development plan for the listed companies of the Office of the Securities and Exchange Commission. Thaipat Institute made this assessment based on the information received from the listed company, as stipulated in the form for the assessment of Anti-corruption which refers to the Annual Registration Statement (Form 56-1), Annual Report (Form 56-2), or other relevant documents or reports of such listed company. The assessment result is therefore made from the perspective of Thaipat Institute that is a third party. It is not an assessment of operation and is not based on any inside information. Since this assessment is only the assessment result as of the date appearing in the assessment result, it may be changed after that date or when there is any change to the relevant information. Nevertheless, MST does not confirm, verify, or certify the accuracy and completeness of the assessment result.

### US

This third-party research report is distributed in the United States ("US") to Major US Institutional Investors (as defined in Rule 15a-6 under the Securities Exchange Act of 1934, as amended) only by Maybank Securities USA Inc ("MSUS"), a broker-dealer registered in the US (registered under Section 15 of the Securities Exchange Act of 1934, as amended). All responsibility for the distribution of this report by MSUS in the US shall be borne by MSUS. This report is not directed at you if Maybank IBG is prohibited or restricted by any legislation or regulation in any jurisdiction from making it available to you. You should satisfy yourself before reading it that MSUS is permitted to provide research material concerning investments to you under relevant legislation and regulations. All U.S. persons receiving and/or accessing this report and wishing to effect transactions in any security mentioned within must do so with: Maybank Securities USA Inc. 400 Park Avenue, 11th Floor, New York, New York 10022, 1-(212) 688-8886 and not with, the issuer of this report.

## UK

This document is being distributed by Maybank Securities (London) Ltd (“MSUK”) which is authorized and regulated, by the Financial Conduct Authority and is for Informational Purposes only. This document is not intended for distribution to anyone defined as a Retail Client under the Financial Services and Markets Act 2000 within the UK. Any inclusion of a third party link is for the recipients convenience only, and that the firm does not take any responsibility for its comments or accuracy, and that access to such links is at the individuals own risk. Nothing in this report should be considered as constituting legal, accounting or tax advice, and that for accurate guidance recipients should consult with their own independent tax advisers.

**Thailand:** MST may have a business relationship with or may possibly be an issuer of derivative warrants on the securities /companies mentioned in the research report. Therefore, Investors should exercise their own judgment before making any investment decisions. MST, its associates, directors, connected parties and/or employees may from time to time have interests and/or underwriting commitments in the securities mentioned in this report.

**Hong Kong:** As of 27 February 2022, MIB Securities (Hong Kong) Limited and the authoring analyst do not have any interest in any companies recommended in this research report.

**India:** As of 27 February 2022, and at the end of the month immediately preceding the date of publication of the research report, MIBSI, authoring analyst or their associate / relative does not hold any financial interest or any actual or beneficial ownership in any shares or having any conflict of interest in the subject companies except as otherwise disclosed in the research report.

In the past twelve months MIBSI and authoring analyst or their associate did not receive any compensation or other benefits from the subject companies or third party in connection with the research report on any account what so ever except as otherwise disclosed in the research report.

Maybank IBG may have, within the last three years, served as manager or co-manager of a public offering of securities for, or currently may make a primary market in issues of, any or all of the entities mentioned in this report or may be providing, or have provided within the previous 12 months, significant advice or investment services in relation to the investment concerned or a related investment and may receive compensation for the services provided from the companies covered in this report.

## OTHERS

### Analyst Certification of Independence

The views expressed in this research report accurately reflect the analyst’s personal views about any and all of the subject securities or issuers; and no part of the research analyst’s compensation was, is or will be, directly or indirectly, related to the specific recommendations or views expressed in the report.

### Reminder

Structured securities are complex instruments, typically involve a high degree of risk and are intended for sale only to sophisticated investors who are capable of understanding and assuming the risks involved. The market value of any structured security may be affected by changes in economic, financial and political factors (including, but not limited to, spot and forward interest and exchange rates), time to maturity, market conditions and volatility and the credit quality of any issuer or reference issuer. Any investor interested in purchasing a structured product should conduct its own analysis of the product and consult with its own professional advisers as to the risks involved in making such a purchase.

No part of this material may be copied, photocopied or duplicated in any form by any means or redistributed without the prior consent of Maybank IBG.

## Historical recommendations and target price: RCE Capital Bhd (RCE MK)

### Definition of Ratings

Maybank IBG Research uses the following rating system

<b>BUY</b>	Return is expected to be above 10% in the next 12 months (including dividends)
<b>HOLD</b>	Return is expected to be between 0% to 10% in the next 12 months (including dividends)
<b>SELL</b>	Return is expected to be below 0% in the next 12 months (including dividends)

### Applicability of Ratings

The respective analyst maintains a coverage universe of stocks, the list of which may be adjusted according to needs. Investment ratings are only applicable to the stocks which form part of the coverage universe. Reports on companies which are not part of the coverage do not carry investment ratings as we do not actively follow developments in these companies.
