# Country Garden Services

## New services to drive further revenue growth

- After key M&As in FY21F, we believe CGS's GFA growth will slow down from FY22F onwards. This will lead to slower growth in PM services in FY23F.
- Community VAS, city services and commercial operational services will become CGS's revenue growth drivers in FY22-23F, in our view.
- Even after CB redemption, we expect CGS to hold some Rmb13bn net cash balance at end-FY22F to support its ongoing expansion.
- Reiterate Add, with a lower TP of HK\$68.70 (0.9x PEG). CGS is still our preferred name among large-cap China property managers.

### Rapid portfolio expansion in FY21F; slower GFA growth afterwards

Country Garden Services (CGS) spent c.Rmb21bn to acquire three large property management (PM) portfolios in FY21F — namely Languang Justbon, R&F Property Services and Link Joy Holdings (from Colour Life) — leading to an expansion of over 280m sq m of managed GFA from third parties (3P) in FY21F. Including the new managed GFA from sister company CGH (2007 HK, Hold) and other 3P contracts, we estimate its managed GFA at end-FY21F at close to 800m sq m (end-FY20: 377m sq m). Yet, given worsened market sentiments for raising cash through equity or CB, we think sizeable M&As would be unlikely in FY22F, leading to slower inorganic growth ahead.

### Non-PM services to become revenue growth drivers in FY23F

CGH's contracted sales GFA declined by 1% yoy to 66.4m sq m in FY21, which reflected a market-wide weakening of property sales in China in 2H21. This would lead to CGS's flattish growth in managed GFA from CGH, in our view. We see a fast decline in growth rate of revenue from PM services in FY23F, on the back of fewer M&As and slow growth in CGH's GFA delivery starting from FY22F. Community value-added services (VAS) for acquired portfolios and newly delivered GFA by CGH, as well as city services and commercial operational services, will be key drivers of its revenue growth in FY22-23F.

### Sufficient liquidity to support CB redemption in Jun 2022

In Jun 2022, CGS will fully redeem out of its own cash resource the HK\$5bn CB issued in May 2021. Management claims that CGS's operating cash flow and upcoming redemption of wealth management products will support the CB redemption, and therefore does not foresee the need for refinancing it. We estimate that after CB redemption, its end-FY22F net cash balance would still be some Rmb13bn.

### Reiterate Add with a lower TP of HK\$68.70

We raise FY21-23F EPS by 5-12% to factor in: i) EPS-accretive M&As (i.e. R&F Property Services and Link Joy Holdings), which we have not factored in since our last model update, and ii) revised revenue projections for city services and commercial operational services. However, as we roll over our EPS CAGR to FY21-24F, the new EPS CAGR is lowered to 34% (39% previously). We lower our TP for CGS to HK\$68.70, still based on 0.9x PEG (equivalent FY22F P/E: 30.4x). Reiterate Add. A key downside risk is value-destructive M&As, while successful expansion in new businesses is a potential re-rating catalyst.

## DISCLAIMER

The content of this report (including the views and opinions expressed therein, and the information comprised therein) has been prepared by and belongs to CGS-CIMB. Reports relating to a specific geographical area are produced and distributed by the corresponding CGS-CIMB entity as listed in the table below.

This report is not directed to, or intended for distribution to or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation.

By accepting this report, the recipient hereof represents and warrants that he is entitled to receive such report in accordance with the restrictions set forth below and agrees to be bound by the limitations contained herein (including the "Restrictions on Distributions" set out below). Any failure to comply with these limitations may constitute a violation of law. This publication is being supplied to you strictly on the basis that it will remain confidential. No part of this report may be (i) copied, photocopied, duplicated, stored or reproduced in any form by any means; or (ii) redistributed or passed on, directly or indirectly, to any other person in whole or in part, for any purpose without the prior written consent of CGS-CIMB.

The information contained in this research report is prepared from data believed to be correct and reliable at the time of issue of this report. CGS-CIMB may or may not issue regular reports on the subject matter of this report at any frequency and may cease to do so or change the periodicity of reports at any time. CGS-CIMB has no obligation to update this report in the event of a material change to the information contained in this report. CGS-CIMB does not accept any obligation to (i) check or ensure that the contents of this report remain current, reliable or relevant, (ii) ensure that the content of this report constitutes all the information a prospective investor may require, (iii) ensure the adequacy, accuracy, completeness, reliability or fairness of any views, opinions and information, and accordingly, CGS-CIMB, its affiliates and related persons including China Galaxy International Financial Holdings Limited ("CGIFHL") and CIMB Group Sdn. Bhd. ("CIMBG") and their respective related corporations (and their respective directors, associates, connected persons and/or employees) shall not be liable in any manner whatsoever for any consequences (including but not limited to any direct, indirect or consequential losses, loss of profits and damages) of any reliance thereon or usage thereof. In particular, CGS-CIMB disclaims all responsibility and liability for the views and opinions set out in this report.

Unless otherwise specified, this report is based upon sources which CGS-CIMB considers to be reasonable. Such sources will, unless otherwise specified, for market data, be market data and prices available from the main stock exchange or market where the relevant security is listed, or, where appropriate, any other market. Information on the accounts and business of company(ies) will generally be based on published statements of the company(ies), information disseminated by regulatory information services, other publicly available information and information resulting from our research.

Whilst every effort is made to ensure that statements of facts made in this report are accurate, all estimates, projections, forecasts, expressions of opinion and other subjective judgments contained in this report are based on assumptions considered to be reasonable as of the date of the document in which they are contained and must not be construed as a representation that the matters referred to therein will occur. Past performance is not a reliable indicator of future performance. The value of investments may go down as well as up and those investing may, depending on the investments in question, lose more than the initial investment. No report shall constitute an offer or an invitation by or on behalf of CGS-CIMB or any of its affiliates (including CGIFHL, CIMBG and their respective related corporations) to any person to buy or sell any investments.

CGS-CIMB, its affiliates and related corporations (including CGIFHL, CIMBG and their respective related corporations) and/or their respective directors, associates, connected parties and/or employees may own or have positions in securities of the company(ies) covered in this research report or any securities related thereto and may from time to time add to or dispose of, or may be materially interested in, any such securities. Further, CGS-CIMB, its affiliates and their respective related corporations (including CGIFHL, CIMBG and their respective related corporations) do and seek to do business with the company(ies) covered in this research report and may from time to time act as market maker or have assumed an underwriting commitment in securities of such company(ies), may sell them to or buy them from customers on a principal basis and may also perform or seek to perform significant investment banking, advisory, underwriting or placement services for or relating to such company(ies) as well as solicit such investment, advisory or other services from any entity mentioned in this report.

CGS-CIMB or its affiliates (including CGIFHL, CIMBG and their respective related corporations) may enter into an agreement with the company(ies) covered in this report relating to the production of research reports. CGS-CIMB may disclose the contents of this report to the company(ies) covered by it and may have amended the contents of this report following such disclosure.

The analyst responsible for the production of this report hereby certifies that the views expressed herein accurately and exclusively reflect his or her personal views and opinions about any and all of the issuers or securities analysed in this report and were prepared independently and autonomously. No part of the compensation of the analyst(s) was, is, or will be directly or indirectly related to the inclusion of specific recommendations(s) or view(s) in this report. The analyst(s) who prepared this research report is prohibited from receiving any compensation, incentive or bonus based on specific investment banking transactions or for providing a specific recommendation for, or view of, a particular company. Information barriers and other arrangements may be established where necessary to prevent conflicts of interests arising. However, the analyst(s) may receive compensation that is based on his/their coverage of company(ies) in the performance of his/their duties or the performance of his/their recommendations and the research personnel involved in the preparation of this report may also participate in the solicitation of the businesses as described above. In reviewing this research report, an investor should be aware that any or all of the foregoing, among other things, may give rise to real or potential conflicts of interest. Additional information is, subject to the duties of confidentiality, available on request.
